

When we petitioned North Reading Selectmen to name our favorite baseball park after coach, mentor, and friend Frank Carey, we knew it stood for something important.

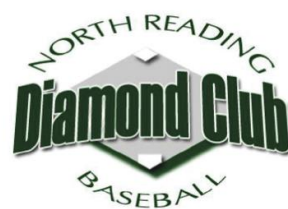

The Diamond Club wasn't started so kids could play ball on a smooth diamond or sit in a comfortable dugout. It's our way of reminding future generations that Coach Carey got it right when he drilled us to "stick to fundamentals" and "not cut corners."

Coach built character in his students and his players with parables about hustlers, underdogs, and champions who stole victories with a late inning bunt or who outwit opponents with cunning and heart.

We're glad you're here today, and we hope you enjoy the golf and camaraderie.

Many have contributed generously to make the 10th Annual Golf Tournament possible. Thank you to all golfers, sponsors, and our loyal volunteers!

The North Reading Diamond Club
